

Jewish jubilee system which foreshadows the "restitution of all things". Therefore where the type ends, the thing foreshadowed begins. The Fifth Universal Empire of Earth will be ushered in with power and great glory. He "whose right it is" will speak peace to the peoples, and then they shall not learn war any more.

The abortive efforts of the Inter-Church World Movement; the Paris, Washington, Geneva, Hague, and other conferences to create a counterfeit of Christ's kingdom, have all failed, and were but the dying gasps of a Satanic order upon whose tomb is being indelibly engraved

and written in anguish and blood, "Gone, But Not Forgotten."

Hail the glad day when Christ's kingdom has actually come; for it will be the "desire of all nations."—Haggai 2:7.

We are coming to the "new earth", to the new order of things, to Paradise, which means "Garden of God". It will take a thousand years to restore all the race to Paradisaic conditions after the kingdom is established. And this is the only panacea for the ills of humankind. Its arrival is inevitable, its benefits are world-wide, its results eternal.

## Angels and Women

**WE PRESENT** some letters regarding this book (a review of which recently appeared in our columns) which we feel sure will be of interest to many of our readers:

**To THE GOLDEN AGE:**

Pardon me for taking this much of your time on what may be so simple a matter; but I was approached about going into a club to get a certain book called, "Angels and Women". I made some inquiries, and was told that it was a book that a fallen angel dictated to a woman, showing a desire to come back into harmony with God; and that Pastor Russell approved of the book. I had never heard of the book before; and as we are to shun anything akin to spiritism I should like to know positively whether the book has your approval before buying one; so if it is not asking too much would like a reply.

(Mrs.) W. S. Davis, Los Angeles, Cal.

**To THE GOLDEN AGE:**

With much pleasure and profit has the book, "Angels and Women" been read by many Truth friends. It contains so much to encourage one to loyalty and faith in God.

Do you think that it would be a real service to purchase these books in quantities of ten or more copies at a time so as to get the special \$1 per copy rate, which you have so kindly secured for us, and thus to have them on hand as Christmas and birthday presents or for other gift occasions to give to our relatives and friends, whom we may have been unable to otherwise interest in Present Truth or only slightly so?

Would not some be disposed to read a fascinating novel of this kind, who might not be able to get first interested in "The Harp" or STUDIES?

Would this not be considered one way of instructing

the people about matters concerning which there is so much ignorance, and direct them to the real Bible Keys, the WATCH TOWER publications?

Should we send such orders to THE GOLDEN AGE?

If not, will you kindly give us the complete address of the A. B. Abac Company? There are many who would like to get a little more information regarding these items.

An Appreciative Reader

## Reply

**TO BOTH** above letters we reply as follows:

When Pastor Russell was here, he read a book dealing with conditions that obtained prior to the Flood. He requested some other brethren to read it. It was so much in harmony with the Bible account of the fallen angels that he regarded the book as remarkable. Under his supervision it was revised, and later published by one who was formerly his confidential associate. The new book is published under the title "Angels and Women". Scriptural citations are given. An appendix is added. Pastor Russell remarked that at some opportune time the book, revised, should be published.

As to its being a violation of the Vow to read this book, such idea is not worthy of consideration. It would be no more wrong to read it than to read "What Say the Scriptures about Spiritism" or "Talking with the Dead"; for both these books quote much as to what the evil spirits do. Many have derived much benefit from reading "Angels and Women" because it aids in getting a clearer vision of how Satan

overreached the angels and overreached the human race, and caused all the havoc amongst men and the angels. It helps one to a better understanding of the devil's organization.

The book is published by the A. B. Abac Com-

pany, Madison Square, P. O. Box 101, New York City, N. Y.

THE GOLDEN AGE does not handle the publication; but all who desire it should write directly to the publisher at the above address.

## A Remarkable Fulfilment of Prophecy

*"And it shall be, that whoso will not come up of all the families of the earth unto Jerusalem to worship the King, the Lord of hosts, even upon them shall be no rain."—Zechariah 14:17.*

ON MAY 6th the Spanish Government refused permission to Judge Rutherford to speak in Madrid in support of his belief, and our belief, that we have come to the time of the establishment of the Lord's kingdom in the earth—an event described in the Revelation of St. John as "the new Jerusalem, coming down from God out of heaven".

Now whether or not others can see in it what we see in it, nevertheless a most unusual item of information comes to us in a report from our correspondent in Switzerland. The gentleman in question knew of the Spanish Govern-

ment's action in refusing permission to have the truth regarding the Lord's kingdom presented to the Spanish people, and in a report to us dated August 23rd says:

"We herewith beg to enclose a copy of the *Zurichsee Zeitung* of August 21 in which you will find a report, marked in blue pencil, that while the whole of Central Europe is complaining about a miserable summer, no rain has fallen in Madrid, the capital of Spain, since May 6. As this was the date upon which Judge Rutherford was refused permission to lecture in that city, we feel that the matter will be of interest to you. May we assume that there is a connection between the two things?"

## Blessing Automobiles *By Joseph Greig*

THE latest superstition of Greater Papacy now is the blessing of automobiles, said to have begun at Pittsburgh. Labels are placed on the machine head, and holy water applied with a pronouncement of Latin to the God of Rome. This insures from accident and the jam of Protestant aggression.

We remember in 1799 how the Pope himself blessed Napoleon. But at that time the Most High saw fit to visit judgment on the system, which had reached a crisis in its abominations. Instead, therefore, of the Pope's receiving worship, Napoleon exacted a lump sum from the "Vicar of Christ" and he too went along as prisoner of France. Indeed, "his highness" died in solitude after this blessing. Likewise, we remember, how a later pontiff blessed the Spanish navy at the instant when the United States entered into war with Spain. Evidently at that time the infallibility invoked failed of operation on account of certain other forces blocking the spiritual headship.

Soon, thank God! a further blessing is to be

enjoyed when this symbolical "beast" passes away with its earthly pomp and mouthiness. Then the peoples will taste of the liberty with which Christ makes free. History tells of the long train of Jesuit priestcraft in the way of life, liberty, and happiness, not the least of which can be read off during the war on slavery while Lincoln was in office. Conspiracy among Lincoln's Catholic generals more than once threatened the disruption of the Lincolnian forces. Therefore, this boastful tyrant must go down in ignominy and chaos, as the prophet of the Lord of hosts has foretold. True religion will then spring from the efforts of the New Zionism, now bestirring itself toward the promised land of Abraham.

All hail such a prospect and token from the true Lord of lords and Decider of sovereignty rights, in behalf of a restored race, from the deceptions of Satan, forced on mankind in the name of truth! The bandages must all be torn loose ere this sunlight reaches the eyes of human understanding.
